In the next few weeks, we will be focusing on the Universal Laws of Life. These laws apply to every person inhabiting Planet Earth. If you haven’t already, we suggest you go back and read our previous Universal Laws posts to prepare yourself for the following...

**LAW OF GRATITUDE**

The Law of Gratitude is your saving grace when you are challenged, unsure of where you are in your life, or just plain unhappy. Move your energy from your head and brain into your heart and center by breathing deeply whenever you feel lost, confused, or overwhelmed. Gratitude is in your heart, and we all have many things in our life to be grateful for. Stay in that space. Be kind to yourself, appreciate what you have accomplished so far in your life, and thank the Universe for your gifts and talents. Being grateful is the key to discovering what you can do to change your life so
that you are auspiciously following your magnificent Path to fulfilling your **True Life Purpose**.

Play with **EMERALD** and count your blessings.

Stay tuned for the ninth Universal Law – Abundance, coming out soon!
